Dear Mr. Grover:

Enclosed is the Transfer of Notice of Intention for small mining operations that I spoke to you about on the telephone recently. Inasmuch as you are mining rock from the quarry that is covered by an Aggra-Insulite Marketing mining permit, it is appropriate to transfer this permit to your company.

Please sign and have your signature notarized and return to me in the enclosed stamped, self-addressed envelope and I will make the necessary filing with the Division of Oil, Gas and Mining of Utah.

Thank you.

Sincerely,

Gerald M. Park
